

Be Found Easier in the HIA Membership Directory

-Increase Your Visibility-

How do potential customers find your company in the HIA Membership Directory?

HIA is happy to announce that members are able to be listed under more than one category in our membership directory. As part of your membership, you are automatically listed in one category. If you would like to increase your visibility you may choose to be listed in additional categories at a cost of \$30 each. For example, a law firm that specializes in labor could be listed under “lawyers” and “labor”. You can choose as many additional categories as you would like.
