

VAI CEO Named 2011 ERP “Provider Pro to Know” by *Supply & Demand Chain Executive Magazine*

Ronkonkoma, New York, February 1, 2011

News Facts:

- Bob Vormittag, CEO and president of [VAI](#) (Vormittag Associates, Inc.), an award-winning ERP solution provider, was named one of *Supply & Demand Chain Executive* magazine’s 2011 “Provider Pros to Know,” a highly sought honor among supply chain industry professionals.
- Bob Vormittag was recognized for spearheading VAI’s efforts to help the supply chain community prepare for significant IT challenges in the year ahead. The company achieves this by providing customizable software solutions that improve efficiencies and reduce labor costs in a recovering economy.
- This is the eleventh “Pros to Know” list distributed by *Supply & Demand Chain Executive*, and it supports the publication’s mission to encourage innovation of supply chain practitioners and technology providers while tackling the challenges faced by the industry.
- While considering the company for “Pros to Know,” *Supply & Demand Chain Executive* examined VAI’s approach to key supply chain challenges faced by their clients and reviewed VAI’s user case studies, as well as its suggestions on how the supply chain function can be better aligned with a company’s overall strategy.
- The full listing of the 2011 “Pros to Know” will be available in the February/March 2011 issue of *Supply & Demand Chain Executive* magazine, and in an e-book to be released in early March 2011, which will be housed on the website at <http://www.SDCExec.com/2011Prostoknow>.

Quotes:

- “At VAI, we take our customers’ specific needs seriously, tailoring the development process of VAI’s world-class offerings per industry,” said Bob Vormittag, CEO and president of VAI. “Because our finger is so firmly on the supply chain industry’s pulse, we’re able to address real-world customer needs quickly and efficiently. Honors such as the 2011 ‘Provider Pros to Know’ showcase our customer’s trust is well placed.”
- "Our annual list of Provider Pros to Know highlights the many thought-leaders who are helping to shape the supply chain industry and advance supply chain as a respected discipline in the enterprise," said Barry Hochfelder, editor of *Supply & Demand Chain Executive*. "Their efforts in developing the tools, processes and knowledge base necessary for supply chain transformation, and in promoting new approaches to supply chain enablement, have earned them a place on this year's Provider Pros listing."
