

VAI Named to 2010 *Food Logistics* FL100

Leading Business Magazine Presents Annual Listing of Technology Solution Providers

Ronkonkoma, N.Y.— December 15, 2010 – [VAI \(Vormittag Associates, Inc.\)](#) announced today that it has been named to the 2010 *Food Logistics* FL100 – an alphabetical list designed to help the readers of *Food Logistics* find the best technology service and solution providers to the food industry. VAI is a leader in enterprise resource planning (ERP) solutions for the distribution, manufacturing, retail and service industries, and an award winning IBM Premier Business Partner.

Food Logistics annually recognizes the top technology and solution providers that help grocery and foodservice distributors and manufacturers reach their business goals. VAI's solution, [S2K Enterprise for Food Distribution](#), is a comprehensive and customizable food management system that helps food processors improve their bottom-line by reducing costs, enhancing customer service, and streamlining supply chain operations.

Katherine Doherty, editor-in-chief of *Food Logistics* magazine, said, "Despite the harsh environment, the past year has seen a number of food and beverage companies implementing technology solutions—especially transportation management and warehouse management systems—where they can see a quick ROI."

Bob Vormittag, president and CEO, VAI, said, "VAI is pleased to be included in this year's FL100. VAI is always making the effort to enhance our [S2K Software Suite](#) to ensure that our customers are receiving an exceptional business solution. Our latest version of S2K for Food comprises numerous new capabilities and flexible, user-friendly features that give businesses the technology needed to rebound from the effects of the economic recession."

The final *FL100* recipients appear in the November/December 2010 issue of *Food Logistics*, as well as online at www.foodlogistics.com.

About *Food Logistics*

Food Logistics is published by Cygnus Business Media, a leading diversified business-to-business media company. The magazine serves the information needs of food, beverage and consumer packaged goods executives involved in warehousing, transportation and information technology, as well as third-party and refrigerated service providers.
